Hi Peter,

I'm having such an **interested** / **interesting** holiday in Cuba. I saw something really (1) **surprised** / **surprising** yesterday. A French man called Alain Robert climbed the outside of the hotel where I'm staying, which is 27 storeys tall! It was very (2) **excited** / **exciting** to watch but I was (3) **frightened** / **frightening** that he would fall because he wasn't wearing any safety equipment. It was (4) **annoyed** / **annoying** because the batteries in my camera were dead, so I couldn't take any photos!

I hope you're having a good week and you're not too (5) **bored** / **boring** without me! I'll give you a call and maybe we can meet up on Sunday if I'm not too (6) **exhausted** / **exhausting** from the flight.

Love, Sue

### 5 Complete the adjectives with the suffixes -ed or -ing.

He was very embarrass**ed** because he forgot to pay the bill in the restaurant.

- Louis was depress..... when he found out that he'd failed his exams.
- Riding a motorbike along the Pacific Coast Highway in the USA is a very excit..... experience.
- I always find it really relax..... when we go camping in Italy.
- Jane thought that she would be too frighten..... to bungee jump off the Macau Tower in China.
- The students were very disappoint..... because they didn't get tickets for the final.
- We went on a really interest..... tour of Buckingham Palace.
